: 10.8m (35.4ft)
: 2015, Benetti, Italy
: 6 (4 × double, 2 × twin)

**MLK
YACHTS**

L : 14 knots
L : 230
: Array
: Benetti
: 11.11

Launched in 2015 by the prestigious Italian yacht builder Benetti, 11.11 was immediately recognised as one of the greats and was awarded a 2016 World Superyacht Award in the category Displacement Motor Yachts 500GT TO 1,299GT.

The 63m (206.7ft) yacht possesses striking looks with her vertical bow, a feature which enhances the fuel efficiency of this family orientated world cruiser. Her stunning aesthetics follow through into her chic interior, crafted by the owner's personal design team. Drawing inspiration from the Art Deco period, the designer combined cool beiges, dark browns, whites and creams accented with touchable fabrics and hand crafted one-of-a-kind pieces throughout.

She offers accommodation for 12 guests over six well-appointed cabins, including master and VIP suites. The full-beam VIP suite sits on the main deck whereas the master, which comes complete with its own private deck, plunge pool and sunbathing area, is positioned on the upper deck. The guest cabins, found on the lower deck are spacious, light and airy.
