MLK YACHTS

- : 7 (3 × double, 3 × double/twin, 1 × twin, 4 × additional berths)
- : 11 knots
- : Array
- : Halter Marine, United States Of America
- : SURI

For those who love adventure and an abundance of toys for exploring by land sea and air, there can be few yachts more exciting than SURI.

Whether you arrive by helicopter, seaplane or one of the five tenders including the glorious 9.1m Stan Craft Speedster, you know you're going to have fun on SURI.

Take the yacht's motorbikes or mountain bikes to the beach in the 7m Munson landing craft tender to explore ashore while the crew sets up the beach BBQ. Send up the seaplane for a bird's eye view of your destination or take the helicopter to find snowy peaks for heli-skiing.

Go sport fishing in the fully equipped 11.3m Intrepid tender, feel the adrenaline on an amazing selection of watertoys in this approved RYA training centre, sail the yacht's classic dinghy or explore underwater scuba style with the yacht's own PADI dive master.
